Your firm will be listed in North Carolina's UCP DBE Directory which can be accessed through the Departments website: <https://partner.ncdot.gov/VendorDirectory/search.html?s=cert&a=new> . Prime contractors and consultants can verify your firm's DBE certification status and identify the work area(s) for which the firm is DBE eligible through this Directory.

Your firm has been certified to provide the following services as outlined in the North American Industry Classification System (NAICS):

In order to remain an eligible DBE, your firm will be required to submit an affidavit to this office by your anniversary date of 8/31/2016. **Failure to submit an affidavit with the appropriate supporting documentation on an annual basis will result in removal of your firm's DBE certification.** The affidavit will attest to the fact that no changes have occurred that would affect your status as a Disadvantaged Business Enterprise, and that your personal net worth has not exceeded \$1.32 million as required by federal regulations for economically disadvantaged individuals. The Office of Equal Opportunity & Workforce Services will provide you with the appropriate forms at least 30 days prior to the anniversary date of your certification.

Should you experience any changes in ownership, management responsibility, specialty, address and/or telephone numbers, you are required to notify this office in writing within 30 days of the change. Failure to inform this office of a change may result in removal of your firm's DBE certification status.

Please note that DBE certification status is not considered pre-qualification to bid, or approval to perform work for the Department of Transportation. To become pre-qualified to bid on Department of Transportation projects, or to be approved as a subcontractor, please contact the pre-qualification section at (919) 707-4800.
